CFK conducts an appropriate amount of due diligence regarding the reporting of the grants by the granting organizations.

Part IV, Line 2b - Escrow Liability Arrangement Explanation

CFK Africa collaborates with residents of informal settlements to develop local youth leaders, address inequities around access to quality health care, and reduce gender disparities by combining public service with research to inform participatory development in Kenya and other informal settlements globally.

Form 990, Part I, Line 6

CFK volunteers including the board of directors devoted over 1,700 hours of time promoting and networking for the organization in addition to providing essential strategic visioning, professional skills, and leadership development.

Form 990, Part III, Line 4a - First Accomplishment**Public Health (See Schedule O)**

CFK Africa operates three healthcare facilities in Kibera (Tabitha Medical Clinic, Young Friendly Services Centre, and Tabitha Maternity Home) and a community health outreach program to meet the diverse needs of Kenyan informal settlement communities. Community Health Promoters take health education directly to residents' homes, acting as a bridge between health facilities and the community, conducting home-based health screenings, referring residents to clinics for vital healthcare services, and conducting follow-up visits with patients. Additionally, Girls' Empowerment activities are embedded across CFK Africa's health and education programs. CFK Africa supports adolescent girls and young women through a dual strategy of mentorship and advocacy. Recognizing females face unique challenges in informal settlements, CFK Africa builds self-agency among program participants, provides them with access to a support network, and encourages them to develop and use their voices and practice leadership, ensuring girls can reach their full potential.
